

PDOP

Pahrump Disability Outreach Program "PDOP" is a program dedicated to:

- >Any person who is a child affected by a disability and his/her family.
- >Any person who is an adult affected by a disability and had the disability as a child and his/her family.

PDOP is a multi-faced support group. We provide support to the parents, siblings, and other family members, of children with any disability.

PDOP provides families within our community a place to go for support, education, and training.

SERVICES WE OFFER

PDOP offers advocacy for your child. PDOP will send a representative to go with you to your child's IEP meetings, or to any meetings with the school reference your child.

PDOP offers a social activity every month, which provides you a chance to enjoy time with your family with other families who understand your life.

PDOP provides training for families and children with disabilities.

PDOP works with local providers to provide services to our children here in our community.
